CHAMPAGNE

NV Laurent Perrier, La Cuvée Rosé, Brut 180

Laurent-Perrier's Cuvée Rosé, the benchmark for luxury Rosé champagne, is crafted using a unique maceration technique to preserve fresh fruit aromas. Made from 100% Grand Cru Pinot Noir grapes from 10 Montagne de Reims villages, including Bouzy, the meticulously sorted fruit undergoes maceration in stainless steel vats. This results in an intensely fruity wine with flavors of strawberries, raspberries, red currants, and black cherries, offering a clean, round-bodied, and long finish.

2019 Château Lassegue, Bordeaux 150

The 2019 vintage of Lassegue is characterized by its freshness and purity. The wine shows a beautiful ruby color in the glass, limpid and brilliant. The nose is aromatic and precise, with red fruit that wafts from the glass at first aeration, followed by subtle notes of rose petal and licorice. The palate displays remarkable freshness, elegance and finesse. The attack is dense with a core of ripe red fruit, and a rich and precise mid-palate leading to a prolonged finish carried by seamlessly integrated silky tannins. The power, balance and minerality of this vintage reflect the complexity of the clay and limestone soils of the Côte de Saint-Émilion.

BURGUNDY

2020 Albert Bichot, Les Murots 215

Les Murots features Rich nose combining scents of very ripe red and black fruit (raspberry, blackcurrant...) with hints of oak and spices that will evolve over time toward more animal notes (musk, fur). Delectable and velvety on the palate, this wine also boasts delicate structure, which contributes to its balance. The fruit found on the first nose is echoed on the lengthy finish.

WORLD RED

2017 Château Musar, Cabernet Blend 160

The 2017 Château Musar has a perfumed bouquet with well-defined plummy red fruit, fireside embers and pressed flower scents. A hint of VA in the background gives the aromatics a welcome kick. The palate is medium-bodied with fine tannins and well-judged acidity, harmonious, not powerful, yet full of flavor. A pleasing bitterness surfaces towards the finish, with moderate persistence and a residual white pepper tang lingering in the mouth.
